Secrets of the Da Vinci Code

European Discovery has always offered historic tours to London, Paris, England and Scotland so adding a tour that explores the mystery, symbols and real history of the places and objects described in Dan Brown's exciting novel is a perfect fit.

The *Secrets of the Da Vinci Code Tour* will follow in the footsteps of the books' heroes, Robert Langdon and Sophie Neveu, as they raced through Paris, London and Edinburgh discovering clues hidden in

the works of Leonardo Da Vinci and other keepers of ancient secrets. We will visit these cities with our own expert local guides who will point out clues from the book along with the real history behind them. Our tour will also add other famous highlights to the Da Vinci code stops.

your Discovery Days. The hotels are quaint and award-winning and the restaurants have been carefully selected as exceptional examples of local cuisine and atmosphere.
